**Subject: Disclosure of Material Information** 

Dear Sir,

In accordance with Section 96 of the Securities Act, 2015 and Clause 5.6.1(a) of PSX Regulations, we hereby convey the following information:

With reference to our earlier announcement dated April 30, 2025, regarding the Board of Directors' approval of the debottlenecking and capacity enhancement project, we are pleased to inform that the project has been successfully completed within the projected timeline.

The initiative was undertaken to address production bottlenecks and equalize line efficiencies, with the dual objective of improving overall operational performance and increasing rated production capacity. We are pleased to report that these objectives have been successfully achieved.

As a result, the Company's rated annual production capacity has increased from 1,200 million cans to 1,300 million cans, and the additional capacity is now commercially operational and available for use. This strategic project enhances the Company's production capabilities in line with its long-term operational and capacity optimization goals.

You are requested to inform the TRE Certificate Holders of the Exchange accordingly.

Yours Sincerely,

Sohail Akhtar Gogal
